

Up, Up, Up
(Woodlake Song #1)

Up, Up, Up! Raise your hands!
Woodlake School is the finest in the land.
Where our eyes are bright and the learning is fun;
Our minds our sharp and we're number one. Who!!

Here at our school we've learned to say,
That listening is the only way.
Our hearts in this place will always stay;
Go tell everybody that we are great. Who!!

Up, Up, Up! Raise your hands!
Woodlake School is the finest in the land.
Where our eyes are bright and the learning is fun;
Our minds our sharp and we're number one. Who!!

Down in Mandeville
(Woodlake Song #2)

Down in Mandeville by the lake;
There's an elementary school that's really great;
If you dare make no mistake;
It's my school. It's Woodlake!

Woodlake it's a fun place to be;
Where learning is grand with the Pelicans;
Woodlake it's a fun place to be;
Where learning is grand with the Pelicans.
