

Vision

Woodlake Elementary School

Where Everyone Soars

Mission

Our mission is to design exciting, engaging opportunities to enable our students to soar. We will create and support an environment where our children are learning, thriving, and excited to come to school. A strong partnership will exist among educators, students, families and the community to ensure our students are life-long learners.

Our Living Statements

- We are a good school, and we will be great.
- We make our decisions based on one question: “Is it best for kids?”
- We address the needs of EVERY CHILD, EVERY DAY.

Shared Beliefs

We believe:

- We are a good school, and must strive to be a great school.
- Our fundamental business is to create engaging work for every student, every day.
- High-quality schools and exemplary student achievement are the responsibility of the entire community.
- Teachers are leaders and designers who create engaging work for students.
- Student engagement is the key to learning.
- In setting high expectations for all students we will provide effective instruction that will meet all students’ needs.

Therefore, we make a commitment with our community to engage all students in high-quality education resulting in life-long learners who can contribute to the society in which they live.
