

WOODLAKE ELEMENTARY SCHOOL

1620 LIVINGSTON STREET • MANDEVILLE, LA 70448

LELIA PARKER, PRINCIPAL

Hi, Woodlake Families,

In conjunction with the City of Mandeville and the Mandeville Police Department, we need to make all of our parents aware of a major change in the carline procedure for the 2016 – 2017 school year. The new carline procedure is as follows:

- Enter Lakeshore Drive and turn onto Lamarque Street.
- Continue on Lamarque Street and turn right onto Livingston Street.
- For arrival in the morning or dismissal in the afternoon, stop at the “Car Line Begins Here” sign. Wait for the signal from the duty teacher to proceed forward.
- Drive through the double gates under the portico in front of the kindergarten wing.
- Proceed to the first available numbered sign near the exit and stop.
- Students enter and exit the cars on the **passenger side only**.
- Students walk into the kindergarten wing in the morning and exit the kindergarten wing in the afternoon.
- After students are unloaded or loaded into the cars, cars turn right onto Livingston Street and continue on Clausel Street.
- Turn left onto Villere Street and then turn right onto Foy.
- Continue on Foy Street, and turn left on Montgomery Street or turn right onto Florida to exit.
- Buses only enter the campus on Foy Street and exit on Villere Street. As always, please be mindful and cautious of surrounding walkers and vehicles.
- We will continue to require the WES carline sign with your child’s name printed largely. If you do not have a sign, please be prepared to pull to the side to have your ID checked.

We have attached a detailed map to show the carline path that will be used starting August 2016. The Mandeville Police Department will be helping to enforce this new protocol. If you have any questions, please feel free to call Lelia Parker, the principal, at 985-626-8842.
