

February 1, 2019

Dear Parents and Families,

We are looking forward to our Woodlake Mardi Gras Celebration. This year the “Krewe of Third Grade Walking Parade” will take place on Monday, February 25 at 2 P.M. The parade will travel down Livingston Street to Lamarque Street. It will then turn right onto Lamarque Street and travel down to Villere Street. The krewe will then take Villere Street down to Foy Street. It will turn right onto Foy and head back to Woodlake. All students, with the exception of third grade students, will watch the parade at a designated area. It will be fun to watch the excitement of all the students whether they are catching or throwing beads and trinkets. All families are welcomed and encouraged to attend. A map is on the back of the route of the parade. The police department has suggested to us to eliminate parking along the parade route or on campus to make it safer for the students. This will require all parents to allow time to park away from the parade route and walk up to the parade area.

Students will be required to stay in the same area with their teacher during the entire parade. Students may not be checked out during the parade. This means if your child has a doctor or dentist appointment, check him/her out before 1:30 P.M. and do not plan to stay on campus once your child has been checked out.

Once all students have returned to the building after the parade, then parents may begin checking students out from the office, even though we would discourage parents from checking out your child early.

Our Mardi Gras holiday this year will be from March 4 - 8. Students will return to school on March 11. Thank you for your support and cooperation as we plan this endeavor.

Sincerely,

Lelia Parker, Principal

All visitors, please remember that there will be **NO PARKING** on the following streets:

Foy St. from Livingston St. past the Tammany Trace.

Villere St. from Lamarque to Foy St.

Livingston St. from Lamarque St. to the car line.

Lamarque St. from Livingston St. past Villere St.
