

The Snowflake Shop is almost open!

Back by popular demand, the Woodlake Elementary PTA is again offering the students this “secret” shopping experience with the assistance of adult volunteers. The PTA provides this event not as a fundraiser, but as a fun learning opportunity where the children practice budgeting, money management and other life skills.

Each student will be sent home a pre-printed money envelope. This can serve as a budget to generate their shopping list and allocate dollar amounts for each person on their list. Please return the envelope to your student’s teacher with either cash or a check made payable to Woodlake Elementary PTA the day before they are scheduled to shop.

Shopping Schedule by Classroom (December 4-8)
